

Food Chemistry Division

34th Annual Meeting

Chair: Dr. habil. Livia Simon Sarkadi [Hungary]

Secretary: Dr. Kitti Németh [Slovakia]

Membership: 58 Delegates of EuChemS member societies in 37 countries

<http://www.euchems.org/Divisions/FCD/index.asp>

Food Chemistry Division

34th Annual Meeting

Place and date: Budapest, 24-25th June 2010

21 EuCheMS Member Societies from 17 countries were represented

New representatives

Eyal SHIMONI [Israel]

Amos NUSSINOVITCH [Israel]

Irena VOVK [Slovenia]

Umberto PIANTINI [Switzerland]

Food Chemistry Division

34th Annual Meeting

1. *6th Pigments in Food – Chemical, Biological and Technological Aspect*
20-24 June, 2010 Budapest, Hungary
[\[www.foodpigments2010.mke.org.hu\]](http://www.foodpigments2010.mke.org.hu)
2. *5th Central European Congress on Food - CEFood*
19-22 May, 2010 Bratislava, Slovakia
[\[www.cefood2010.eu\]](http://www.cefood2010.eu)

Food Chemistry Division

34th Annual Meeting

1. Euro Food Chem XVI - Translating food chemistry to health benefits, Gdansk, Poland, 6-8 July, 2011

<http://www.eurofoodchemxvi.eu>

2. In Vino Analytica Scientia,

Graz, Austria, 21-23 July, 2011

*3. First International Congress on Cocoa, Coffee and Tea,
Novara, Italy, 14-16 September, 2011*

Food Chemistry Division
34th Annual Meeting

35th Annual Meeting

5-6 July 2011

Gdansk, Poland

immediately preceding *Euro Food Chem XVI*

Food Chemistry Division future strategy

- Visibility of FCD, communication
- FCD website
- What can FCD provide? Expertise, contacts, network
- How can FCD bring raise income? FCD account within EuCheMS
- How can FCD become more attractive for its members and possible members?

Future activities of Food Chemistry Division

- improving the profile of the Division, food chemistry and food chemists
- promoting the opportunities and challenges of food chemistry in Europe as a career for young people
- facilitating partner identification for EU projects
- optimising scientific cooperation and student exchanges
- enhancing cooperation with other EuCheMS Divisions so as to better reflect the role of chemistry across the whole food chain
- working with other organisations in and beyond Europe to promote and facilitate interdisciplinarity
- actively supporting the International Year of Chemistry in 2011

Thank you for your attention!
