XIX EuCOMC

19th EuCheMS International Conference on Organometallic Chemistry

Toulouse, France

July 3-7, 2011

Presentation

The EuCOMC is the major conference on **organometallic chemistry** at the European level, organized under the auspices of EuCheMS (the European Association for Chemical and Molecular Sciences).

The Program will feature Plenary Lectures, Invited Lectures, Oral Communications and Poster presentations. They include all modern advances and new trends in organometallic Chemistry.

Plenary lectures

Prof. Holger Braunschweig (Germany)

Prof. David Cole-Hamilton (UK)

Prof. Antonio Echavarren (Spain)

Dr. Odile Eisenstein (France)

Prof. Tobin J. Marks (USA)

Prof. David Milstein (Israël)

Prof. Maurizio Peruzzini (Italy)
