

The European Federation for Medicinal Chemistry (EFMC) is an independent association founded in 1970 representing 25 Societies from 23 European Countries and more than 6500 Medicinal Chemists.

The mission of the EFMC is to advance the science of medicinal chemistry.

EFMC

- promotes cooperation and networking
- provides training and mentoring
- rewards scientific excellence
- facilitates communication and influences stakeholders

Austria | Belgium | Croatia | Denmark | Finland | France | Germany | Greece | Hungary | Israel | Italy | Latvia | Poland | Portugal | Russia | Serbia | Slovenia | Spain | Sweden | Switzerland | The Netherlands | Turkey | United Kingdom |

Working Groups

Strategic themes

- Visibility and recognition of medicinal chemistry
- Influence on European Science Policy

Operational activities

- Symposia and EFMC Sessions
- Short Courses
- Awards and Prizes
- Communication
- Social media

 XXIV EFMC International Symposium on Medicinal Chemistry (EFMC-ISMC 2016)
 Organised by the Biological and Medicinal Chemistry Sector (BMCS) of the Royal Society of Chemistry.

Aug 28 – Sept 1, 2016 Manchester, United Kingdom

 3rd EFMC Young Medicinal Chemist Symposium EFMC-YMCS 2016 Organised by EFMC

September 1-2, 2016 Manchester, United Kingdom

ACSMEDI-EFMC: Medicinal Chemistry Frontiers 2017

6th in series Philadelphia, USA June 25-28, 2017

Antwerp, Belgium 2015

San Fran, USA 2013

Stockholm, Sweden 2011

Barcelona, Spain 2009

Siena, Italy 2007

Short Courses on Medicinal Chemistry – Organised by EFMC

- Modulation of Enzymes; Epigenetics and Beyond | April 2016 | The Netherlands
- A matter of time: A kinetic perspective on drug-target interactions | April 2017 | The Netherlands

Medicinal Chemistry Schools – Organised by our National Adhering Organisations

- European School of Medicinal Chemistry (ESMEC) Urbino, Italy
- Swiss Course on Medicinal Chemistry Leysin, Switzerland
- Vienna School on Drug Design Vienna, Austria
- RSC Medicinal Chemistry School Nottingham, UK
- Summer School on Pharmaceutical Analysis Rimini, Italy

Prizes & Awards

EFMC 2016 Awards

To acknowledge outstanding achievements in the field of Medicinal Chemistry, EFMC is conferring every two years three Awards on the occasion of the International Symposium on Medicinal Chemistry. The 2016 Awards will be conferred on the occasion of the XXIV EFMC "International Symposium on Medicinal Chemistry" (EFMC-ISMC) to be held in Manchester, United-Kingdom on August 28 - September 1, 2016.

The EFMC-Awards include:

- THE NAUTA AWARD FOR PHARMACOCHEMISTRY
 Prof. François Diederich ETH Zürich, Switzerland
- THE UCB-EHRLICH AWARD FOR EXCELLENCE IN MEDICINAL CHEMISTRY Prof. Paul J. Hergenrother – University of Illinois at Urbana-Champaign, United States
- THE PROUS INSTITUTE OVERTON and MEYER AWARD FOR NEW TECHNOLOGIES IN DRUG DISCOVERY

 Drof Jon Stowart, MIR & MIJ Bruggele, Belgium

Prof. Jan Steyaert – VIB & VU Brussels, Belgium

More information on www.efmc.info / News & events

Prizes & Awards

EFMC Prizes

- The EFMC Prize for a Young Medicinal Chemist in Industry 2016 Winner: Jean QUANCARD, Novartis, Switzerland
- The EFMC Prize for a Young Medicinal Chemist in Academia 2016 Winner: Frank BOECKLER, Eberhard Karls University Tuebingen, Germany

To recognise an outstanding young medicinal chemist (\leq 12 years after PhD) working in industry/academy within Europe

Communication

Communication

Within the community

- Social media EFMC group on LinkedIN Twitter @EuroMedChem
- E-newsletter MedChemWatch & EFMC Yearbook
- MedChemComm

To the broader public

• Press conference organised at EFMC-ISMC Lisbon (2014), Frontiers Antwerp (2015) and EFMC-ISMC Manchester (2016)

EFMC Videoclip competition

• Why Medicinal Chemistry video competition

STOA Working Breakfast - Solving Antimicrobial Resistance

EUROPEAN FEDERATION FOR MEDICINAL CHEMISTRY

Communication

MedChemComm

MedChemComm Broadening the field of opportunity in medicinal chemistry

- High quality research and reviews, with a particular focus on interdisciplinary and emerging topics and new technologies
- Official journal of the EFMC
- View the latest articles and Sign up to contents alerts on <u>www.rsc.org/medchemcomm</u>

Co-Editors-in-Chief: Dr Anthony Wood, Pfizer, USA Professor Gregory Verdine, Harvard University, USA

Influence on European Science Policy
