The 17th European Conference on Solid State Chemistry will be held at the University of Lille (Villeneuve d'Ascq campus), France from September 1st to 4th 2019.

Organised in conjunction with Division of Solid State and Materials Chemistry (EuCheMS) and the Division de Chimie du Solide de la Société Française de Chimie.

Important dates (provisional)

February 1, 2019 Deadline for Early Registration

April 1, 2019 Deadline for Abstracts

May 1, 2019 Notification of acceptance

June 1, 2019 Deadline for Registration

Main topics of the conference:

Advances in Solid State Materials Synthesis

Functional Materials

Crystalline and Disordered Compounds, glasses

Materials design

Electrochemistry, energy

Nanomaterials and thin films

Quantum materials

hybrids, Micro/mesoporous materials

Nitride, chalcogenides and mixed anion compounds

Advanced characterisation techniques

Further contributions from all fields of solid state chemistry are welcome.

Conference location (provisional)

Lectures and poster presentations will be held in the conference hall MACC'S (Metropole Auditorium pour la Culture, les Congrès et les Séminaires) Cité Scientifique, Villeneuve d'Ascq, France (<https://www.ascotel.fr/fr/seminaires-lille>).

Further information

Up-to-date information on registration fees, conference program, accommodation and the planned social and accompanying persons program will be made available on our webpage <http://www.ecssc17.com/> and in the Second Circular.
