

# EYCN – Activity report

Fernando Gomollón-Bel, Chair  
[chair@eycn.eu](mailto:chair@eycn.eu)

EuCheMS GA  
Sevilla, 10th to 12th September 2016

# Our goals

**Connect** chemists in Europe and beyond

Advocate for **Chemistry**

Mentoring and **educating** young researchers

## Some activities...

**1st EYCC + 11th DA**  
Guimarães, Portugal (2016)

## Some activities...

**220 participants**  
25% from EU

**1st EYCC + 11th DA**  
Guimarães, Portugal (2016)

# Some activities...

**European Young Chemist Award**  
Collaboration with SCI, CNC and ANQUE

# Some activities...

## Poster awards

Serbia 2015

Italy 2015

Hungary 2015

Belgium 2016

UK 2016

France 2016

# Some activities...

## Career days: improving softskills

Bucharest (2014)

Istanbul (2014)

Madrid (2015)

Blankenberge (2016)

Guimarães (2016)

Sevilla (2016)

More to come...

# Some activities...

The screenshot shows the EuCheMS website interface. At the top left is the EuCheMS logo and name. To the right, there are links for 'What is EuCheMS' and 'Contact Us', along with contact information: a phone number '+32 (0) 2 289 25 67' and an email address 'secretariat@euchems.eu'. Below this is a search bar with the placeholder text 'Type keywords...'. A navigation menu in blue contains the following items: HOME, ABOUT US, POLICY & COMMUNICATION, PROFESSIONAL NETWORKS, MEMBERS, AWARDS, and EVENTS. Social media icons for Facebook and Twitter are also present. A large green banner below the navigation menu features the text 'European Young Chemists' Network'. Below the banner, a breadcrumb trail reads 'HOME | PROFESSIONAL NETWORKS | EUROPEAN YOUNG CHEMISTS' NETWORK'. On the left side, there is a sidebar with the EuCheMS logo and a list of menu items: European Young Chemists' Network, News, Conferences, and Projects. The main content area is titled 'EYCN Career Days' and contains a paragraph of text: 'During the upcoming EuCheMS Chemistry Conference (ECC) in Seville (Spain) next September, the EYCN will organise a four-day career event. These "EYCN Career Days" are filled with lectures and workshops which are specifically designed by and for young chemists looking ahead to their future career in academia or industry. In order to achieve these series of events, the EYCN strongly collaborates with industry, academic (funding) institutions and publishing authorities. In addition, the event is jointly organized with the GDCh Career Services & RSC Careers.' Below this text is a sub-heading 'Please find below an overview of our program:' followed by a blue box with the text 'EuCheMS Career Days'. At the bottom of the page, there is a small footer: 'Welcome to the 8<sup>th</sup> EuCheMS Chemistry Congress and Career Days events. The Career Days are open to all!'
