Athens, September 23, 2016

Dear Members of the Executive Board, of the European Association of  
Chemical and Molecular Sciences,

The Association of Greek Chemists has been notified on the decision taken in  
Leiden, NL, concerning the proposed name of FYROM and would like to thank you  
for the consideration.

With respect to the proposed use, by the Executive Board of EuCheMS, in  
order to refer to the former Yugoslav Republic of Macedonia, the Association of  
Greek Chemists stresses that **its participation by no means implies acceptance or  
recognition by Greece, in whatever form or content, of a name other than “the  
former Yugoslav Republic of Macedonia”**, pursuant to the U.N. Security Council's  
resolutions 817 and 845 of 1993 and the 1995 Interim Accord.

This statement should be recorded in all documents/reports of the EuCheMS.

On behalf of the Executive Board of the AGC

The President

Triantafyllia Sideri

The General Secretary

Vasileios Ganatsios
