

21st JCF Frühjahrssymposium & 2nd European Young Chemists' Meeting

Bremen, 20th – 23rd March 2019

Scientific Programme

- Plenary Lectures
- Industry Talks
- Workshops
- Oral & Poster Sessions

!!AWARDS for the BEST POSTERS!!

... and a rich cultural programme

Registration *via*
www.jcf-fruehjahrssymposium.de
Deadline: 15th December 2018

Venue: Hall Keksdose
University of Bremen

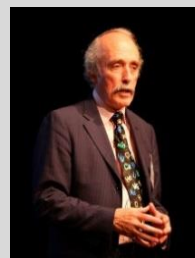

PLENARY SPEAKERS

Prof. Dr. Matthias Beller
LIKAT, Rostock, DE
Catalysis & Sustainability

Prof. Dr. Holger Braunschweig
University of Würzburg, DE
Boron Chemistry

Prof. Dr. David Cole-Hamilton
University of St. Andrews, UK
Homogeneous Catalysis

Prof. Dr. David Leigh
University of Manchester, UK
Supramolecular Chemistry

Prof. Dr. Oliver Wenger
University of Basel, CH
Inorganic Photochemistry

- Priv.-Doz. Dr. Claudia Weidenthaler MPI for Coal Research, Inorganic Crystallography
- Dr. Martin Castillo University of Bremen, Materials Science in Variable Gravity
- Prof. Dr.-Ing. Lucio Colombi Ciacchi University of Bremen, Hybrid Materials Interfaces
