Department of Chemistry – BMC
Uppsala University
Box 576
75-123 Uppsala

Employment:

January 2017 – *present*

Associate Senior Lecturer

Department of Chemistry – BMC, Uppsala University, Sweden

February 2012 – December 2016

Assistant Professor

Department of Chemistry – BMC, Uppsala University, Sweden

Education & Postdoc:

May 2009 – 2011

Postdoctoral Researcher, Department of Organic Chemistry, Stockholm University. Supervisor: Prof. Kálmán J. Szabó

March 2008 – March 2009

Postdoctoral Researcher, Department of Chemistry, University of St. Andrews, UK. Supervisor: Prof. Cole-Hamilton

September 2004 – January 2009

PhD, School of Chemistry, University of Bristol, UK

Supervisor: Prof. Robin B. Bedford

September 2000 – June 2014

MSci (4-year Masters degree in Chemistry), University of Bristol, UK

Grants & Awards (since independence):

Mar 2019: YIW 2019 Nomination, Vienna
Dec 2017: Carl Trygger Postdoctoral Grant (2018-2020)
Nov 2016: Wenner-Gren Postdoctoral Grant (2017-2019)
Jan 2016: Thieme Chemistry Journal Award, 2016
Nov 2015: VR Young Researcher Grant (2016-2019)
Dec 2013: Carl Trygger Postdoctoral Grant (2013-2015)
Feb 2012: Faculty Research Grant, UU. (2012-2013)
Nov 2011: VR Young Researcher Grant (2012-2015)

Conferences/Talks (since independence): Presented independent research results at: **7 (inter)national conferences** (inc. ACS, OMCOS, ISHCA, Organikerdagarna) and **7 invited lectures** (at conferences and university visits) since 2014.

Refereeing:

Reviewer for 19 different international chemistry journals to date (inc. *ACS Catal.*, *Chem. Commun.*, *Chem. Soc. Rev.*, *Green. Chem.*, *J. Org. Chem.*).

Memberships & Participation:

2017 – present: Swedish Chemical Society
2015 – present: Working group leader and member of the Core Group for the EU COST Action for C-H Activation in Organic Synthesis (CHAOS)
2013 – present: American Chemical Society member
2012: Junior Faculty, Uppsala University

Committee Member (since independ.):

PhD examination committee: 9 times;
Masters/Licentiate degree opponent/subject specialist: 7 times.

Group/Supervision (since independ.):

Current group members: 2 × PhD students, 2 × Postdocs, 4 × Masters student; **Past group members:** 2 × PhD students, 2 × Postdoc, 9 × Masters students, 3 × Bachelor students, 4 × other students.

Teaching:

Current: Undergraduate: Organisk Kemi I (course responsible)
Masters/PhD: Organometallic & Coord. Chem. (course responsible),
Modern Methods in Organic Synthesis (course responsible). **Past:** Chemical Libraries, Energy-related Materials & Catalysis, Synthetic Organic Chemistry

Publications (since independence):

J. Org. Chem. **2019**, 10.1021/acs.joc.9b00221; *Molecules* **2019**, 830;
Chem. Sci. **2018**, 4203; *Synlett* **2017**, A83, *Chem. Commun.* **2016**, 5868;
