Mission Statement

Provide a platform to **exchange new ideas and projects** for young chemists around Europe & beyond

Promote the **exchange of knowledge and experience** among young chemists

Mentoring, educating and supporting young researchers at the beginning of their career

Improve the visibility of chemistry and bring it closer to a wider audience, also outside the research field

The 2019-2021 EYCN Steering Committee

Antonio M. RODRÍGUEZ GARCÍA - *Chair*

Maximilian MENCHE - *Secretary*

Jelena LAZIĆ – *Treasurer*

Alice SOLDA' - *Advisor*
(EYCN 2017-19 Chair)

Team Leaders:

Lieke VAN GIJZEL - *Global Connections*

Jovana V. MILIC - *Networks*

Miguel STEINER - *Membership*

Maxime ROSSATO - *Communication*

Katarina JOSIFOVSKA - *Science*

EYCN Delegate Assembly

Travel grants

RULES

- a) Only the official EYCN delegates can apply.
- b) Only one delegate for a society. Even if the society has 2 official active delegates, only one of them can request the EYCN funding to attend the DA meeting.
- c) Short CV based, with overview of the past activities and future planned events
- d) Each delegate can apply for up to 300-350 EUR.
- e) Due to financial possibilities, the EYCN Board can't support more than 3-4 Delegates.
- f) Societies that joined the EYCN for the first time can apply:
 - In the year they joined the EYCN.
 - In the first year after they joined the EYCN.
 - In the second year after they joined the EYCN: This option is open for all new societies, but it is especially important for societies that **DON'T** have a youth division upon joining the EYCN.

EYCN Mentoring MSCA & ERC → Webinar Series

Observations:

- Applying to MC fellowship and ERG StG is a complex process
- Support to the application is extremely heterogeneous in Europe

Target of the EYCN:

- Provide assistance for all European early career chemists to apply to MC fellowship and ERC StG

CONFIRMED SPEAKERS

- Dr. Alina Maria Tomoiaga,
Project Adviser of the

Get creative with the theme **In your element** and win one of many amazing prizes! The first prize will be awarded with a trip to Paris!

Step 1: Choose one element or get creative with the entire Periodic Table

Step 2: Make a video about it, being 90 seconds or shorter

Step 3: Submit your video until the 31st of January 2019
