data from 2023 end
of year report

data from 2024 mid-
year report

Division of Analytical Chemistry

Chair:

Marcela Alves Segundo

Number of delegates/observers:

33/29

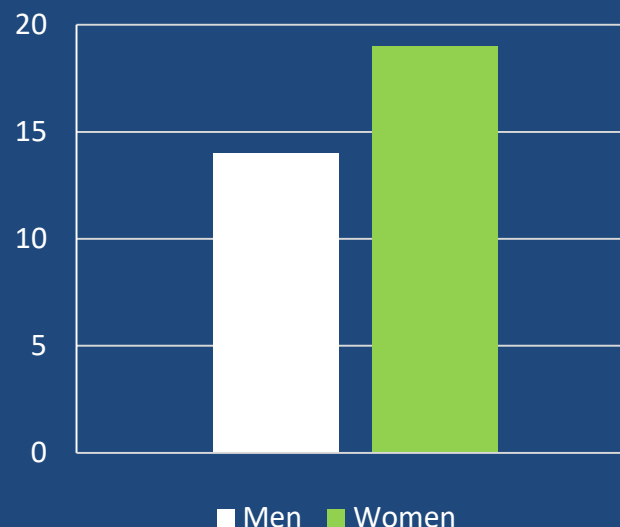

Countries represented:

33

Gender balance

Activities & Events

Euroanalysis 2025, Barcelona

DAC-EuChemS Award & Robert Kellner Lecture Award given to Prof. Antje Baeumner and Prof. Damià Barceló

Joint sessions in the conferences of DCE & DFC.

Division of Chemical Education

Chair:

Rachel Mamlok-Naaman

Number of delegates/observers:

29/4

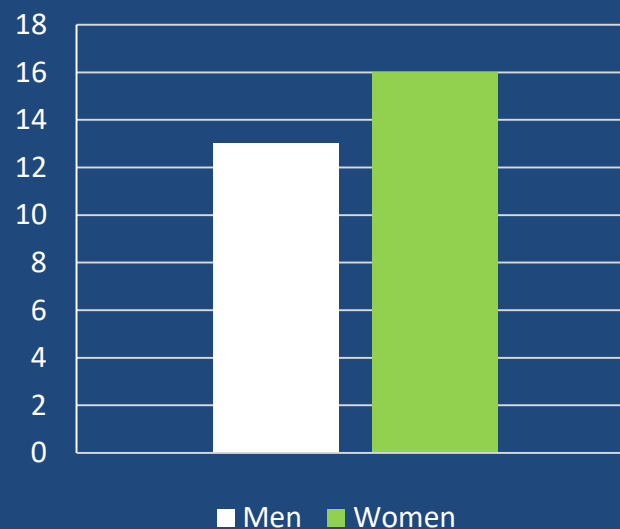

Countries represented:

24

Gender balance

Activities & Events

EUROVARIETY 2025, Krakow

ECRICE 2024, Lisbon

ECRICE 2026

Division of Chemistry and Energy

Chair:
Aline Auroux

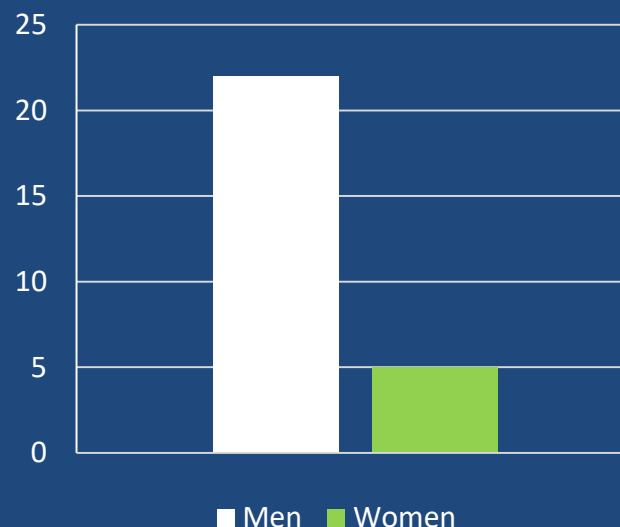

**Number of
delegates/observers:**
27/0

Countries represented:
22

Gender balance

Activities & Events

2025 online Division meeting

Plans to organize a European-scale in-person conference in Portugal did not find sufficient interest from the division members to be able to proceed

Division of Chemistry and the Environment

Chair:

Roland Kallenborn

Number of delegates/observers:

25/0

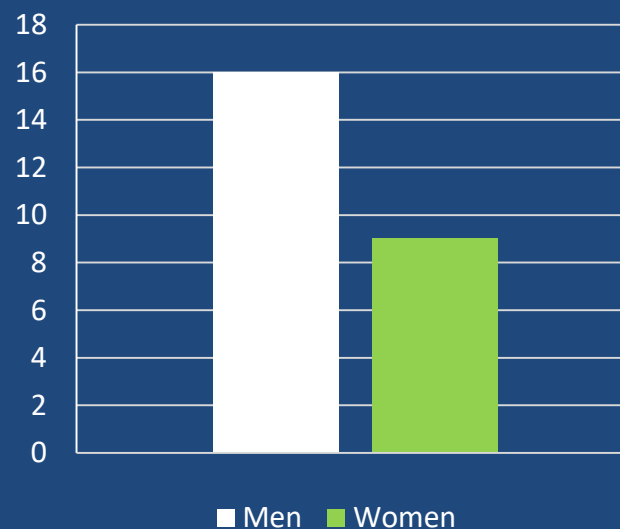

Countries represented:

25

Gender balance

Activities & Events

Symposium on "Monitoring of Chemicals of Emerging Concern (CEC)" at ACS Fall, Denver

International Conference on Chemistry and the Environment -2023, Venice

ICCE 2025, Belgrade

DCE Lifetime Achievement award to Walter Giger

Division of Chemistry in Life Sciences

Chair:

Francesco Peri

Number of delegates/observers:

24/3

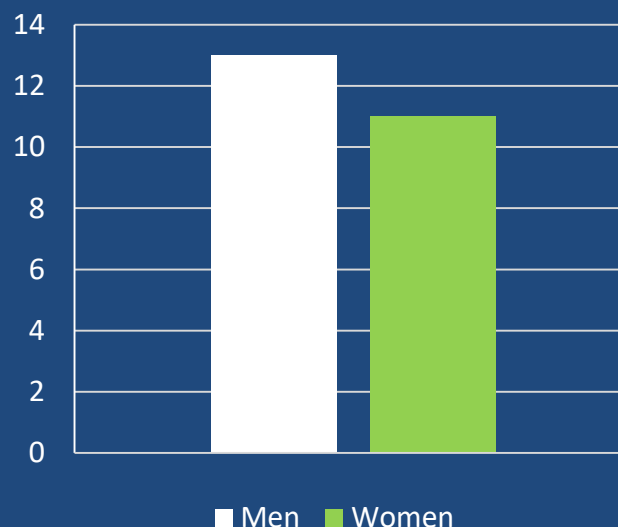

Countries represented:

21

Gender balance

Activities & Events

Young investigator workshops in Helsinki and Galway

13th annual conference of International Chemical Biology Society & 9th European Chemical Biology Symposium (ICBS/ECBS 2025), 6-9th 2025, Paris, France

ECBS 2027 jointly with EFMC

Division Award ChemBioChemistry-Europe awarded to Prof. Dr. Nadja A. Simeth-Crespi

4 division meetings

//MK Comment: F. Perri submitted two responses. In his other response, there are 20 countries represented instead of 21 (above) & the gender balance was 15/8 instead of above 13/11 (M/F)

Division of Computational and Theoretical Chemistry

Chair:

Tanja van Mourik

Number of delegates/observers:

31/0

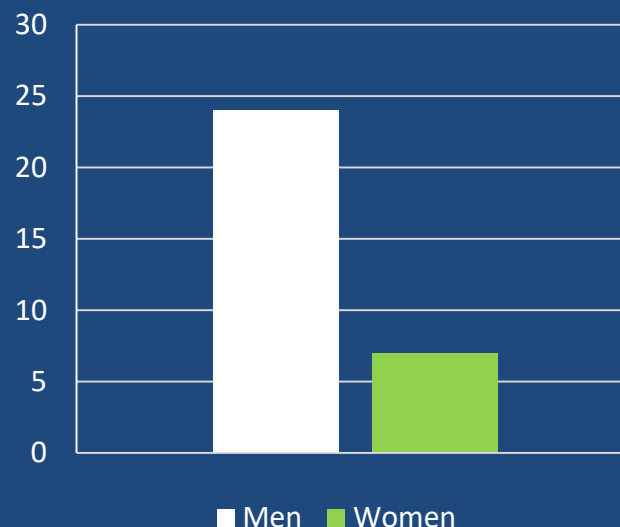

Countries represented:

30

Gender balance

Activities & Events

European Conference on
Computational & Theoretical
Chemistry (EuChemS Comp Chem
2025), Naples

EuChemS CompChem 2027

EuChemS Walter Thiel Award in
Computational and Theoretical
Chemistry

Division of Food Chemistry

Chair:

Joana Amaral

Number of delegates/observers:

44/5

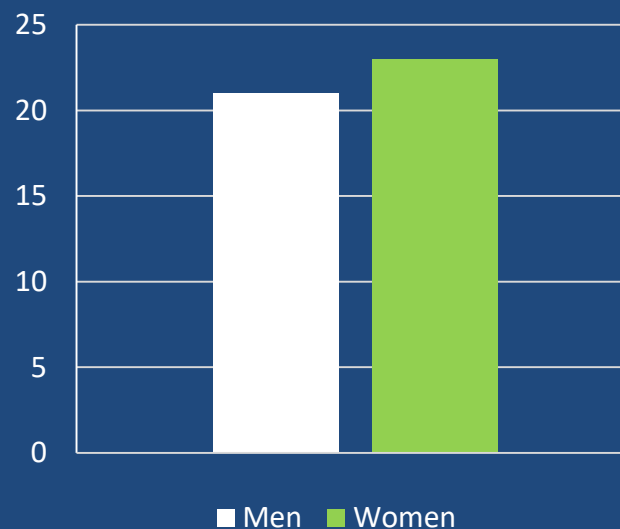

Countries represented:

24

Gender balance

Activities & Events

6th Food Chemistry Webinar & preparing for follow-up biannual FDC Webinars

FCD Delegates Assembly, Dublin

EuroFoodChem XXIII

EuChemS Czedik-Eysenberg-Lecture Award

FCD Webinars

Enlarging collaboration with other PN-s, such as EYCN and DAC

Division of Green and Sustainable Chemistry

Chair:
Katalin Barta

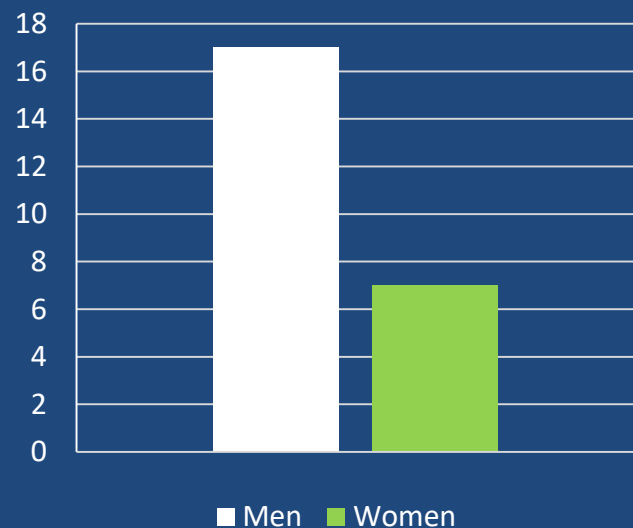

**Number of
delegates/observers:**
24/0

Countries represented:
21

Gender balance

Activities & Events

6th EuChemS Conference on
Green and Sustainable
Chemistry

EuChemS Sustainable Chemistry
Award

//MK Comment: No report submitted in 2024 or 2023 End of year. Data in red from 2022 end of year

Division of Glycoscience

Missing data

Division of Inorganic Chemistry

Chair:
Yulia Gorbunova

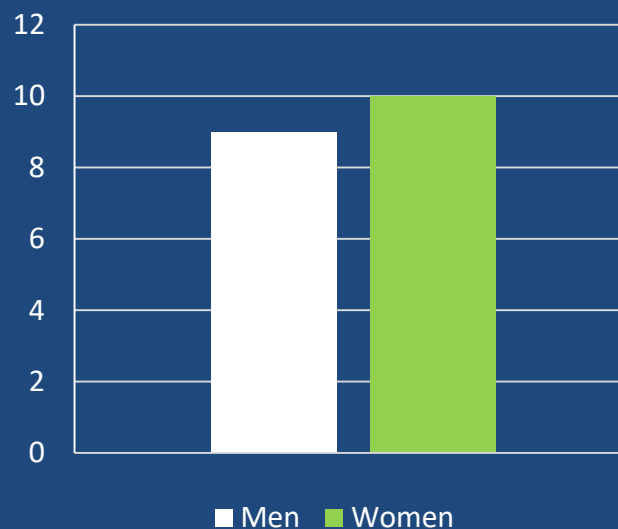

**Number of
delegates/observers:**
19/0

Countries represented:
17

Gender balance

Activities & Events

6th EuChemS Inorganic Chemistry Conference,
Vienna

7th EuChemS Inorganic Chemistry Conference,
Belgrade

Division of Nuclear and Radiochemistry

Chair:

Marko Štok

Number of delegates/observers:

25/4

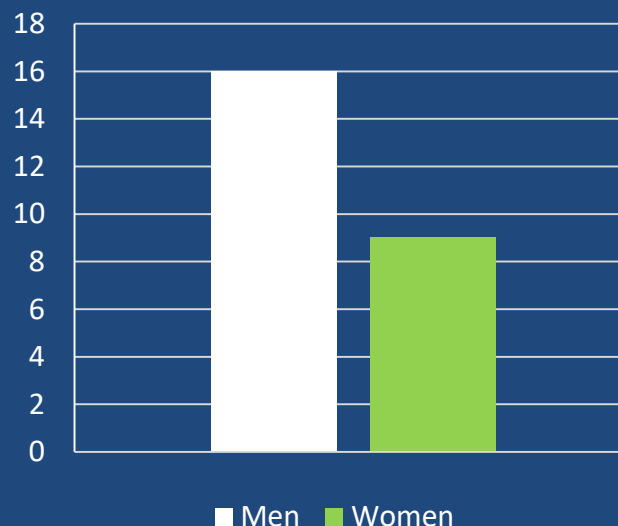

Countries represented:

24

Gender balance

Activities & Events

10th International Conference on
Nuclear and Radiochemistry
(NRC10), Brighton

20th Radiochemical Conference -
RadChem 2026

EuChemS DNRC Honorary
Membership to Em Prof Jukka Letho

Division of Organic Chemistry

Chair:
Patrick Guiry

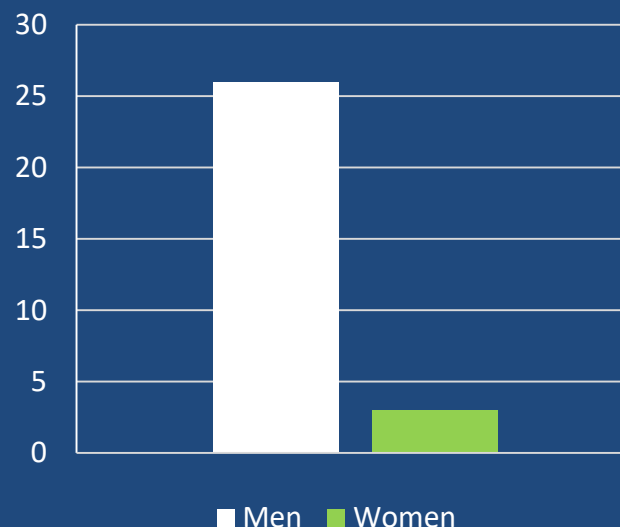

**Number of
delegates/observers:**
29/0

Countries represented:
30

Gender balance

Activities & Events

ECC9

Young Investigator Workshop
2024, Dublin

Highlighting Organic
Chemistry series (Spain,
Czech Republic)

Division of Organometallic Chemistry

Chair:
Martin Albrecht

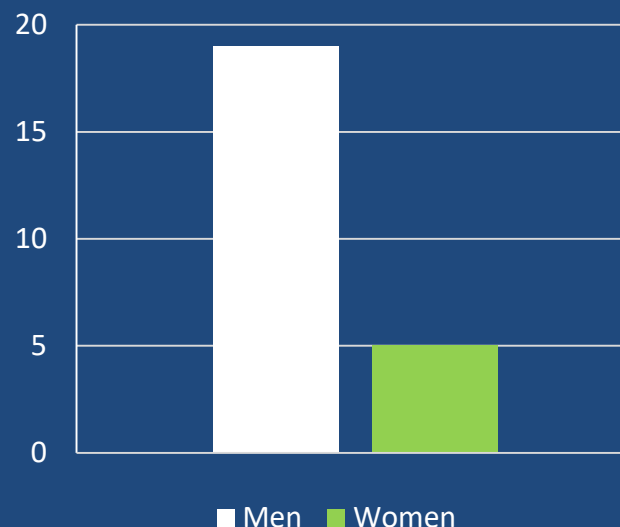

**Number of
delegates/observers:**
24/1

Countries represented:
24

Gender balance

Activities & Events

Conference of Organometallic Chemistry -
EuCOMC XXV 2023, Alcalá

Conference on Organometallic Chemistry -
EuCOMC XXVI, 2025, Bern

Fischer-Wilkinson Prize for Organometallic
Chemistry given to Prof. Helmut Werner

ISOC 2023 - XIV International School of
Organometallic Chemistry

Division of Physical Chemistry

Chair:
Giovanni Marletta

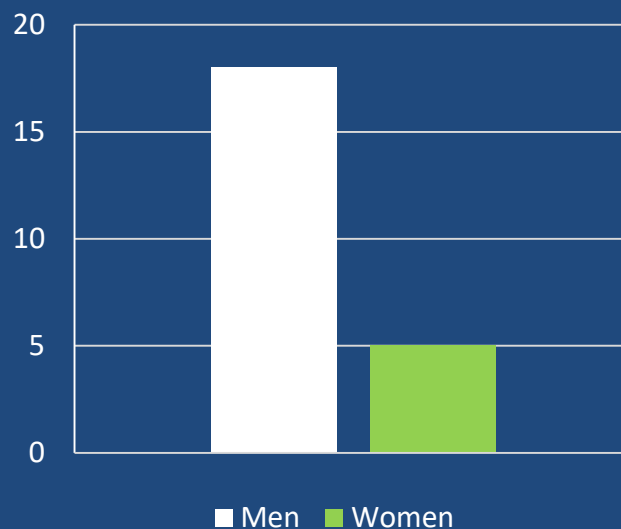

**Number of
delegates/observers:**
23/0

Countries represented:
23

Gender balance

Activities & Events

5th Erwin Schrödinger Symposium 2023, Salzburg

4th European Conference on Physical Chemistry – ECPC23

5th European Conference on Physical Chemistry – ECPC25, Antalya

10th Conference on Applications of Femtosecond Lasers in Materials Science – FemtoMat 2025, Salzburg

//MK Comment: observers dropped from 11 to 0, suspicious?

Also, total number of delegates (23) does not equal sum of male and female delegates ($17+5=22$)

Division of Solid State and Materials Chemistry

Chair:
Olivier Mentré

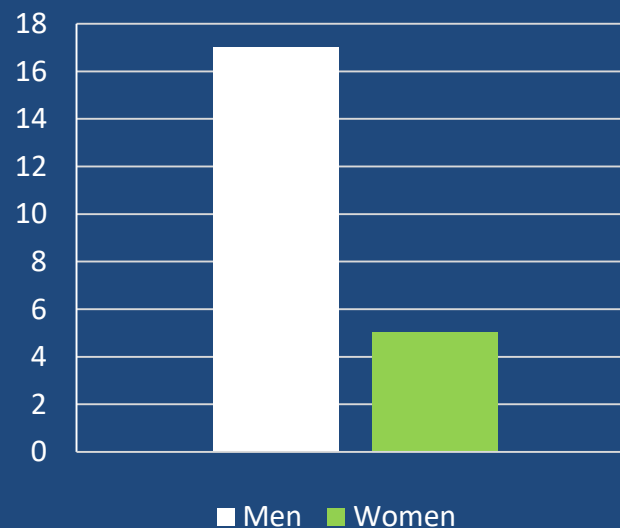

**Number of
delegates/observers:**
22/0

Countries represented:
20

Gender balance

Activities & Events

European Conference on Solid State chemistry (ECSSC) 18, Prague

ECSSC 19, Malaga

joint seminar DSSMCC Euchems-DCS SCF

Working Party on Chemistry for Cultural Heritage

Chair:

Elena Badea

Number of delegates/observers:

24/0

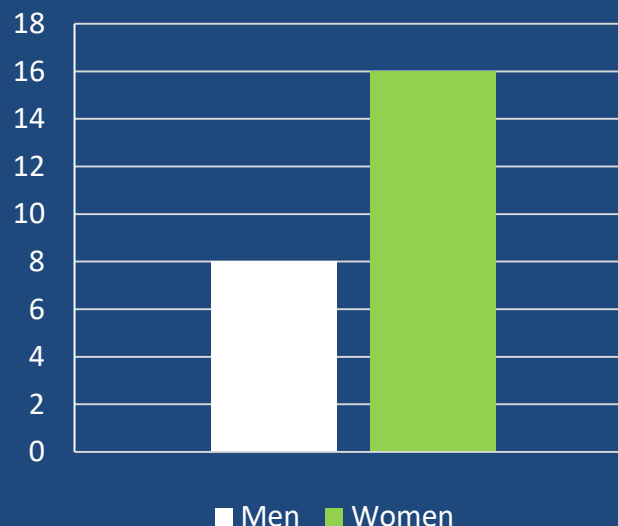

Countries represented:

20

Gender balance

Activities & Events

7th International Congress on
Chemistry for Cultural Heritage -
CHEMCH 2024, 2024, Bratislava

Working Party on Ethics in Chemistry

Chair:

Anca Silvestru

Number of delegates/observers:

22/20

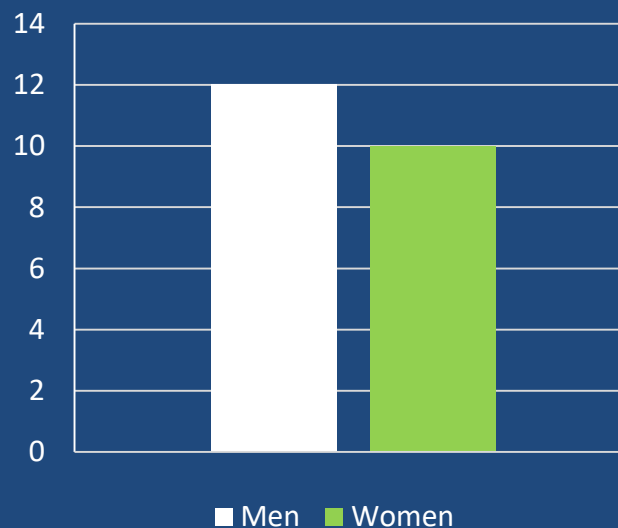

Countries represented:

19

Gender balance

Activities & Events

Friday lectures (thematic meetings)

Chemistry and beyond – an ethical approach - Event

Ethics in chemistry – Workshop

EthiChem Newsletter

Working Party on Formulation in Chemistry

Chair:
Alain Durand

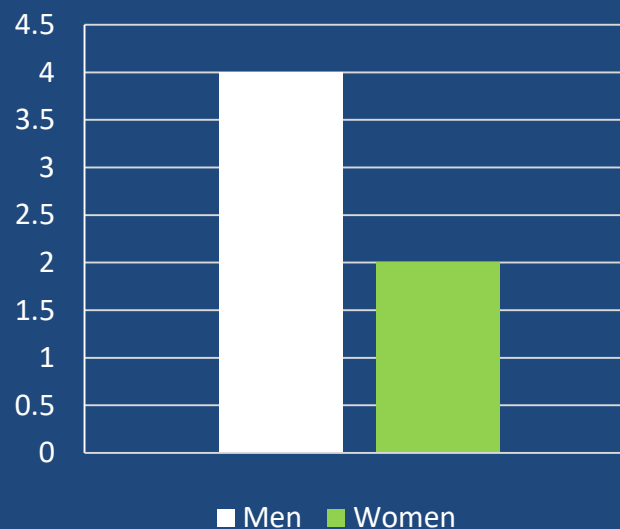

**Number of
delegates/observers:**
6/10

Countries represented:
7

Gender balance

Activities & Events

Formula XI Conference, 2024. Lille

Formula XII Conference, 2025, Sofia

//MK Comment: More countries represented than observers?

Working Party on Mechanochemistry

Chair:
Evelina Colacino

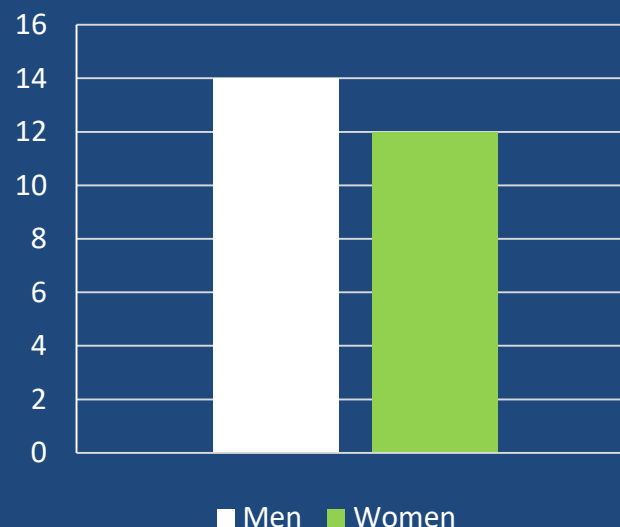

**Number of
delegates/observers:**
26/0

Countries represented:
17

Gender balance

Activities & Events

Award proposal, discussions
with other PN-s & COST action
initiatives

Working Party on the History of Chemistry

Chair:
Annette Lykknes

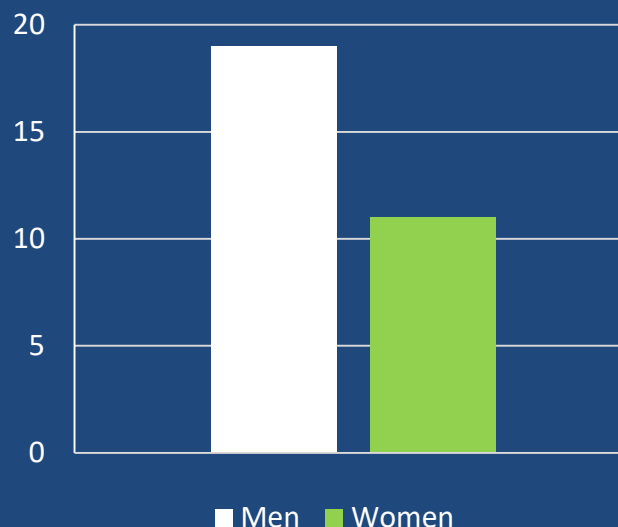

**Number of
delegates/observers:**
26/12

Countries represented:
26

Gender balance

Activities & Events

Convener for convener for Education, History, Cultural Heritage and Ethics in Chemistry at ECC9

14th International Conference on History of Chemistry – 2025, Valencia

Knowing, Protecting and Saving the Earth: Exploring Materials, Earth History, and a Sustainable Future – Barcelona

The Nature of Scientific Discovery in Chemistry, New Zealand

one of the organizers of a symposium accepted for the 27th International Congress of History of Science and Technology, 28 June-5 July
