- Marko Mihovilovic, TU Wien
- Fabian Pfrengle, BOKU Vienna
- Latha Venkataraman, IST Austria

Scientific Committee

Chair of the SC shared by Stefanie Dehnen and Floris Rutjes – Proposal to the EuChemS Board

"Chemistry knows no boundaries - neither in Europe nor around the world. Let us celebrate the diversity of our field together at ECC11!"

Stefanie Dehnen,
past GDCh President

„ECC is EuChemS' flagship event, showcasing the breadth of European chemistry excellence, and together we will make it a success.“

Floris Rutjes
past EuChemS President

Sponsorship and Exhibition

- First negotiations with partner organisations
 - Wiley – VCH
 - RSC
 - ACS
 - GDCh
- First exhibitor contacts during other conferences (e.g. CT26)
- Developing packages (continuing concept of ECC 10)
- Clarification of external support agency for aquisition and administration

Provisional programme

Exhibition

Awards

Poster Sessions

Parallel Sessions

Plenary and
Keynotes

Workshops

Minisymposia

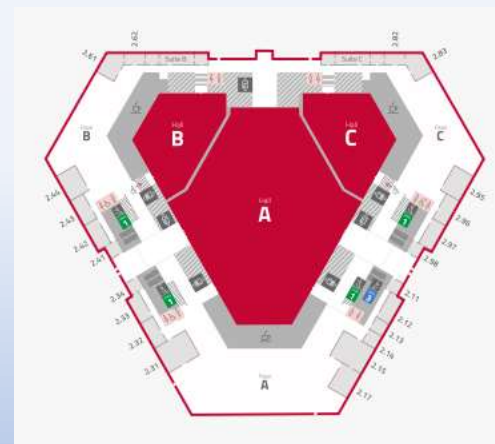

Focus Sessions

e.g. Women in Chemistry
 Career Programme
 Industry

Public Outreach
tbd

Tours

Next Steps

- Website with general information and timetable
- Social Media Campaign (LinkedIn)
- Consultation of EuChemS Professional Networks and Working Parties
- Financial Framework
 - Sponsoring Packages
 - Conference Fees
- Detailed schedule with Milestones and Deadlines

Thank you for your attention!
